

Bill Brune

Secretary

Global Program Manager, Hewlett-Packard Inc. (Ret)

Bill was a senior global program manager for Hewlett-Packard Inc. Global Data Center Services where he managed complex large infrastructure projects supporting the requirements of global information technology and other organizations utilizing the data centers.

Bill graduated from Missouri S&T (UMR) in the spring of 1973 with a bachelor of science degree in computer science. He earned a masters of business administration degree from the University of Houston in May 1976.

Bill is an avid volunteer. He has served on the board of the Miner Alumni Association since 2010 holding positions that include director at large and for the past 6 years as secretary of the association. He is active as an alumni admissions ambassador, as an advisor to the Solar Car team and served as the alumni representative in 2020 on the computer science chair search committee. Bill is a member of the Academy of Computer Science and the Order of the Golden Shillelagh.

Bill has been married to his wife, Carolyn, for 23 years. He enjoys road trips, photography, fishing and amateur radio. He is a member of the Friends of the Cumbres and Toltec Railroad spending a week in the summer volunteering by working on the railroad. He has been a volunteer for 26 years with the Houston Marathon helping to provide amateur radio support.
