

Kandi Spraggs

Area 4 Director

**Assistant Vice President - Bridge Engineer/Project Manager,
WSP USA**

In her role as an assistant vice president at WSP USA, Kandi Spraggs serves as a project manager and senior bridge team leader of the St. Louis bridge group. Kandi joined WSP in 2022 and is actively working to expand WSP's bridge practice in Missouri while leading other projects around the country.

Before joining WSP, Kandi worked for TranSystems as a senior bridge engineer and project manager in their St. Louis office.

Kandi obtained both her Bachelor and Master of Science degrees while attending Rolla from 2004 and 2010. During her time as a Miner, Kandi was the starting second basemen for the varsity softball team all four years of her undergraduate career. She continued as a student assistant coach while obtaining her master's degree. Her performance earned her spots in the Missouri S&T Sports Hall of Fame (2019) and the Great Lakes Valley Conference Hall of Fame (2013). Kandi was also inducted into the Academy of Miner Athletics in 2020 where she serves on the board of directors for continued support of the Miner Athletic Program.

Kandi has had the pleasure of coaching Addilyn's softball and basketball teams over the past four years.

Kandi is supported every day by her loving husband, Charles (Kyle) Spraggs (Missouri S&T Alum), and their two children, Addilyn and Chase. They reside in Eureka, Missouri where everyone is very active in sports and extra-curricular activities. Kandi's favorite past-time is watching her kids sport events. In her spare time, Kandi loves being outdoors and taking kayaking trips with the family.
