

Stephanie Vogt

Area 4 Director

Senior Director, Pharmacy Strategy and Product, Express Scripts

Stephanie (Buffa) Vogt graduated from the Missouri University of Science and Technology in 2003 and 2005 with a bachelor's degree in electrical engineering and a master's degree in engineering management, respectively. While in school, she was very involved with Zeta Tau Alpha, the Society of Women Engineer and Omega Sigma. She was honored to be the homecoming queen in 2003 and received the Miner Alumni Association Distinguished Young Alumni Award in 2019.

Stephanie is the Senior Director, Pharmacy Strategy and Product for the Express Scripts Pharmacy, a Cigna company. She has worked in various roles for Express Scripts for more than 10 years. Prior to working for Express Scripts, she worked for Anheuser-Busch and General Motors. In addition, Stephanie chairs the Hydrocephalus Association St. Louis WALK to a Cure which has raised more than \$500,000 in the 13 years Stephanie has chaired the walk.

Stephanie married Christopher Vogt in 2009, and together they have three children: Ellie (7), Ryan (5) and Barrett (3). Her family is her everything. She treasures the time she can spend with her family. They love playing games, reading books and going for walks.
