

William Martin

Area 5 Director

COO/Owner, Olifant Energy

In my role at Olifant Energy, I currently manage the day to field operations for 150+ producing wells. I am also responsible for reserve preparation, and economic evaluations for debt and financing opportunities..

Before Olifant Energy, I was the VP of Reservoir Engineering at Panther Energy II and Panther Energy I. My technical and leadership experience also includes positions held at Cimarex, Dominion, Newfield, Landmark-Halliburton and Oryx-Kerr McGee.

I earned a Bachelor of Science degree in Geological Engineering from UMR in 1997. I am also a registered Professional Engineer in the state of Oklahoma.

I am the immediate past President of the Missouri S&T Mines and Metallurgy Academy. I have also helped with Literacy, Summer Camps, First Gen college, Entrepreneurship and Leadership Development, and Data analytics.

I am the father of five boys, one of whom is currently studying Nuclear Engineering at S&T.
